

# **MY VISION FAST**

## **\*\*OPENING PRAYER\*\***

**Gracious and Glorious God, we pray for VISION.**

**We first repent of the many times that we have chosen to remain BLIND to the beauty of your word and this world. We repent for allowing our personal preferences and priorities to cloud our vision and distort our view of YOUR will for our lives.**

**And on TODAY, we commit ourselves to YOU! We commit ourselves to the MY VISION FAST and over the next 21 days, we pray that we will SEE you, SEE ourselves, and SEE your divine vision/purpose for our lives.**

**We ask for the strength, the discipline, and the focus to follow through with the Spiritual Plan and reading our scriptures daily. We pray the same for the Physical Plan, that we would be mindful of what we see and what we eat. Help us only to read and watch those things that are inspiring, uplifting and encouraging, and to keep our fasting commitment regarding food whether we are doing liquids only or only fruits and vegetables, or giving up our favorite food/beverage/personal habit. And we pray the same for the Practical Plan, we will write down the Spirit's impressions on our heart and encourage others who are also fasting and praying with us.**

**Lord, we thank you that we will end this fast on January 27 as VISIONARIES who have seen you and seen ourselves and seen YOUR vision/purpose for our lives and who will take the next right steps in order to live out YOUR vision in our families, on our jobs, at our churches, in our community, in this world!**

**We are excited about this time in community with men and women all over this country and even a few overseas who are connected and committed to the MY VISION FAST. Lord, have your grand way in our lives! We are expecting to see GREAT things!**

**IN THE NAME OF THE ONE WHO GIVES VISION and HELPS US TO SEE. . . .**

**AMEN!**
